

Lockout & Lockout Scissor Hasps

New LOH3 Lockout Hasp

This stainless steel Lockout Hasp is designed specifically for use with the revised Padlockable dustcover (PLDC); mounting via either of the dustcover's padlock holes.

The Lockout Hasp accepts three padlocks from 5-8mm. Available with a cable.

Lockout Hasp Part numbers:

Lockout Hasp: **LOH3**.

Lockout Hasp c/w cable: **LOH3C**

Illustrated examples

1. PLDC with LOH3 (Lockout Hasp)
2. LOH3C (Lockout Hasp) complete with cable.

New LOS3 Lockout Scissor Hasp

This stainless steel Lockout Scissor Hasp is designed for use on a wider range of applications while still compatible with the revised Padlockable Dustcover (PLDC).

It accepts three padlocks from 3-8mm. Available with a cable.

Lockout Scissor Hasp Part numbers:

Lockout Scissor Hasp: **LOS3**.

Lockout Scissor Hasp c/w cable: **LOS3C**

Illustrated examples

3. PLDC with LOS3 (Lockout Scissor Hasp)
4. LOS3C (Lockout Scissor Hasp) complete with cable.
