

Technical Marketing Manufacturing, Inc.

# MACHINE VISION TRAINING

**BANNER**

## WHEN:

March 1, 2018

8:30 a.m. - 2:00 p.m.

(Lunch and Refreshments will be provided)

## WHERE:

TMMI

5000 Robb St

Bldg 3A

Wheat Ridge, CO 80033

Banner's vision systems are easy to use and offer powerful inspection tools and capabilities to solve a broad range applications. Join TMMI and Banner Engineering for a half-day machine vision seminar that will help you:

- Learn about creating contrast using lighting techniques
- Learn how to apply vision tools to analyze parts
- Fill out a vision checklist to qualify potential applications
- The Banner iVu vision sensor and VE smart camera will be used to demonstrate these concepts

**Registration:** Contact Britney Weller at (303) 232-1516 or at <http://tmmi.com/events/category/workshop-sign-up/list/>
